

# 2024 Family Weekend Camp at Camp Jubilee

By Shehana Mirza, Project Coordinator, CHHA-BC

We are thrilled to announce that registration is now open for our Annual Family Weekend Camp at Camp Jubilee! Join us from September 13th to 15th for a memorable weekend filled with fun, friendships, and fantastic memories in the great outdoors.

**Who's invited?** HOH children aged 5 and up, their siblings, parents, guardians, as well as young adults aged 18 to 35. It's a chance for the whole family to bond and connect with others in the hard of hearing community.

**What's included?** For just \$30 per child and \$100 per adult, you'll enjoy accommodation, delicious meals, and a wide range of exciting activities.

**Why attend?** The purpose of the family weekend camp is to promote social interactions and friendships among HOH children and young adults and their families in a supportive and inclusive environment. It's a unique opportunity for families to connect, share experiences, and create lasting memories.

**Why is it special?** Year after year, we've seen how the camp fosters friendships among hard of hearing kids and other families. It's something our community eagerly anticipates, and we're proud to provide this special opportunity for bonding and growth.

Register now and join us for a weekend of adventure, laughter, and connection
